**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

1. I am consumer and I think any competition is better than No competition.
2. Big company (like ATT or Comcast) customer support is disaster.
3. I do not have internet and phone connection problems from the moment I moved from ATT to local ISP.
4. No competition situation will move prices up without any possibility to change anything.
